

GROUP CYCLING COMPUTER

Model 700-0008

- One touch start for RPM display ensures easy operation without the need to enter personal information
- Dedicated Heart Rate and Cadence (RPM) display with summary of calories burned and distance traveled upon completion featuring ANT+ wireless technology
- SCAN feature for automatic shifting between the 3 training measures: time, distance, and calories
- Backlight provides flexibility in low-lit environments
- Multiple attachment brackets fits handlebars of all Spinner® Bikes (Spinner® Blade Ion™, Spinner® Blade, Spinner® NXT, Spinner® Pro+) without impeding proper hand position
- Summary display shows total time, distance, average heart rate and total calories burned
- Mode setting for adjusting personal data: age, weight, and ambient heart rate for accurate training results
- Low battery indicator
