

# E-TBTi TOTAL BODY TRAINER

- Integrated 15" HD personal viewing screen with dedicated intuitively-placed channel and volume controls provides a personalized viewing experience.
- Integrated iPod® connectivity with music, video and USB charging station allows users to display personal content while charging media devices.
- SelectFit™ provides the unique benefit of either pulling or pushing upper body motion for a total body workout, or disengaging the arms for a targeted lower body workout.
- Soft Trac® pedals provide ultimate shock-absorbing comfort throughout the entire workout.
- Star Trac's popular adjustable personal fans create a more rewarding workout.
