Product Description

The Origin Yoga Mat provides a stylish and functional purpose suitable for all levels.

Cushioning System

The cushioning system gives users support and also makes for a more comfortable yoga workout.

Textured Surface

The textured surface created a stylish look and also gives user more grip whilst exercising. This is particularly useful when trying technical and demanding yoga poses.

Portable

The yoga mats are lightweight and portable allowing users to take their mats wherever they go.

Eyelets

The 36cm apart eyelets allow yoga centres and classes to store yoga mats out of the way which also improves the life of the mats.

Maintenance

Ensure to keep your yoga mats clean by regularly cleaning with water spray and a cloth. This also increases the life of your yoga mat
