

## Wall Mounted Pull Up Bracket

### Key Features

- Takes your body to a new level of strength & endurance
- Easily connects to suspension trainer straps allowing easy installation anywhere
- Progress through a multitude of workouts
- Available in 2 lengths: 1.5m or 2m
- Both lengths have a 900mm clearance from the wall the bracket is mounted on

### Product Description

The Origin Wall Mounted Pull Up Bar comes in either 1.5m or 2m lengths with 900mm of clearance from the wall.

This allows users to safely and effectively do pull up or suspension based exercises from the bracket. The M12 size holes allows secure wall fastening.

Diameter of the pull up bar is 34mm. **M12 Bolts are not included**
