

Vinyl Coated Kettlebell

Key Features

- Vinyl coating gives added protection and better feel
- Comfortable on skin
- Helps strengthen and tone a wide variety of muscles
- Colour coded for easy weight identification
- Suitable for home gym and fitness studio alike

Product Description

The Origin Vinyl Coated Kettlebells are the perfect functional tool for functional training. The vinyl coating gives the kettlebells added protection and a better feel compared to just cast iron meaning it's more comfortable should the weight be resting against, touching, or brushing the skin as many kettlebell workouts require.
